First sentence. Second sentence. Third sentence. Fourth sentence.

## 1 Introduction

We use (`opendatatoronto?`), (`talía?`) and Wickham et al. (2019).

The remainder of this paper is structured as follows.

## 2 Data

Talk more about it.

And also planes (`?@fig-planes`). (You can change the height and width, but don't worry about doing that until you have finished every other aspect of the paper - Quarto will try to make it look nice and the defaults usually work well once you have enough text.)

## 3 Discussion

### 3.1 First discussion point

If my paper were 10 pages, then should be at least 2.5 pages. The discussion is a chance to show off what you know and what you learnt from all this.
